

华研之友

缘起

在十五华团（各州华堂、董总、教总）倡议下，马来西亚华社研究中心（华研）于1985年成立。自成立以来，华研积极开展马来西亚华人历史文化的资料收集与研究，先后出版超过百种马、中、英三语的各类学术专著或报告，并举办数百场学术沙龙、论坛讲座与研讨会。华研集贤图书馆则收藏超过十万册华人研究的图书，包括华团会馆与华校逾万种以上的乡团会馆特刊、史料、马华文学作品以及华校教科书特藏，同时各类华文旧报纸的剪报资料也有一百六十万件以上。

实质而言，华研是华社独立的研究机构，也是我国华社的文化堡垒。华研保存了马来西亚华社的重要历史文献与档案资料，展示本地华裔先贤积极参与独立建国，以及在经济发展上的重大贡献。除了推动华人乡团会馆的文物与历史文化研究与出版，华研也定期汇集各领域的专家学者探讨华社的政经文教课题，乃至国家重要的政策与法律问题。

在李氏基金、锺灵中学董事校友们与广大热心人士的支持下，经过数年的努力，2018年6月，华研正式推出“陈充恩电子图书馆”，计划分数个阶段落实马来西亚华人研究档案资料电子化工程，方便国内外学者进行研究工作。

2014年，我国杰出的词典学家杨贵谊博士伉俪慨捐了毕生收藏的华马语文图书资料，设立“杨贵谊陈妙华赠书珍藏室”。这是华社唯一收藏华马语言文化资料的宝库，对促进新马来西亚的民族文化交流将扮演重要的角色，本特藏还荣获国家文化遗产局（Jabatan Warisan Negara）的拨款赞助。

学术文化研究是华社委托华研的职责，因此华研的工作需要华社上下鼎力支持，慷慨输将。

为此之故，我们推出“华研之友”计划，恳请您加入成为“华研之友”，协助我们保存马来西亚华人文化遗产，共同推动学术文化事业，让马来西亚华人研究成为华社共同的社会责任。

Introducing ‘Friends of Huayan’

Centre for Malaysian Chinese Studies, or CMCS (or ‘Huayan’ in Chinese), was founded in 1985 at the proposal of the Alliance of Fifteen Leading Chinese Guilds and Associations (State Chinese Assembly Halls, the United Chinese School Committees’ Association of Malaysia, and the United Chinese School Teachers’ Association of Malaysia). Since its establishment, CMCS has been actively collecting historical resources and conducting research on the history and culture of ethnic Chinese in Malaysia. It has published more than a hundred of academic titles in Malay, Chinese and English. It has also organised hundreds of academic salons, seminars and conferences. Additionally, Jixian Library of CMCS has collected more than a hundred thousand of books on Malaysian Chinese Studies, including publications by Chinese associations and Chinese schools, historical documentation, Mahua (Malaysian Chinese) literature, a special collection of Chinese school textbooks, as well as more than 1.6 million pieces of newspaper clippings.

CMCS is essentially an independent research organisation for the Chinese community, and at the same time, a fortress to Malaysian Chinese culture. CMCS has collected and conserved important historical documentation pertaining to Chinese community in Malaysia that records the participation of our forefathers in the struggle for independence and the development of the nation, in addition to their significant contributions in the nation’s economic progress. Besides engaging in the research and publication on the heritage, history and culture of Chinese clan associations, CMCS also holds regular meetings with scholars from various disciplines to discuss social issues, national policies and legal issues that concerns the Chinese community.

With the support of Lee Foundation, board members and alumni of Chung Ling High School and many dedicated individuals, CMCS were able to begin the construction of the David Chen Electronic Library a few years ago and officially launched the library in June 2018. Currently the collection of Malaysian Chinese research resources are being digitalised in stages for the use of local and foreign researchers.

In 2014, distinguished Malaysian lexicographer Dr Yang Quee Yee and his wife generously donated to CMCS their lifelong collection of Chinese and Malay books and materials, which is now housed in the ‘Pak Yang Quee Yee Collection’ section. It is the one and only treasury of language and cultural resources on Chinese-Malay interaction that belongs to the Chinese community, and it will certainly play an important part in promoting inter-ethnic cultural exchange in New Malaysia. The value of the special collection was acknowledged by the National Heritage Department, who had provided funding to support the maintenance of the collection.

The pursuit of academic culture is the responsibility of CMCS that has been entrusted by the Chinese community, and it can only be fulfilled if CMCS has the community’s full support.

Therefore, we sincerely invite you to be part of this journey by joining ‘Friends of Huayan’, You would be supporting us in our mission in preserving Malaysian Chinese cultural heritage and promoting academic culture. Together we could ensure the growth of Malaysian Chinese Studies.
